*Walter Gerlach
Greater Northwest Livestock
Show and Sale*

January 21–26, 2013

What's in a Name?

The show's name is in honor of Mr. Walter Gerlach. Mr. Gerlach was a founding Director of the John Marshall FFA Booster Club. He saw the need for a show site for NISD FFA/4H students. Mr. Gerlach and his wife, Ruby, had three children - Brad, Rod and Leslie - who were actively involved in the showing of livestock as members of the John Marshall FFA. Walter's father, Otto, had allowed the

willing to share with me stories of the greatest memories of this amazing show. The statement most often heard is how the Walter Gerlach Show Barns have remained basically unchanged and the show is one of the last Helotes area iconic events that they believe defined or shaped the Helotes area.

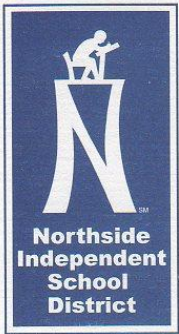

At this 40th anniversary show, please remember this great show was developed and thrives on support from parents, community leaders and school leaders all believing in supporting the youth. If we all continue the support and the dedication as the founders did in starting this show it will continue to allow our youth the opportunity to learn hard work, meet lifelong friends and prepare them for college or business as a result of their experiences at the Walter Gerlach Show.

I thank you for allowing me to be a very small part of this great show.

40th Annual Gerlach Stock Show Dedication

On behalf of the Board of Directors, it is with great pride that we dedicate our 40th Anniversary show to Leslie and Pam Schott. I can think of no one that exemplifies the stock show spirit more than Les and Pam. They have been involved with our stock show for over 30 years. During this extended tenure with the show, Leslie has served twelve years as President, ten years as Vice President and the last five years as the Treasurer for the booster club and stock show organizations. Pam's tenure with the show started as a 4-H Leader for Helotes. Her early responsibilities with the show included managing the Concession stand, co-chair of the Hospitality committee, two terms as the Corresponding Secretary, and three terms as Recording Secretary. For the last five years she has served as Co-Office Manager and assisted with the duties of the Treasurer.

Pam and Leslie's children graduated several years ago, yet they have continued to serve the young people in our community. Over these many years, the Schotts have touched the lives of thousands of families connected with the Gerlach Livestock Show. They have shared their time, leadership, work ethic and most importantly, they shared with our children, an example to live by; "Live a fulfilled life of giving and helping others".

Leslie and Pam, we salute you and honor you for your service to our youth in Agriculture.

Walter Gerlach Stock Show History

- **1972** The three John Marshall FFA Bexar County Directors present a motion that Bexar County include a sale in conjunction with the Bexar County Livestock Show. The motion was denied. The John Marshall FFA Booster Club votes to start the John Marshall FFA Show and Sale. The sale will provide the opportunity for students to sell their animal projects. Walter Gerlach agrees to allow the John Marshall FFA Booster Club to use the land, located 3 miles outside 1604 on Babcock Road, near the Helotes Little League Park. Mr. Calvin Galm contacts Mr. Vickery and donates four old chicken barns to be used in the construction of the show barn.
- **1973** Construction is started on the John Marshall FFA Show Barns. Mr. Vickery originates the “**Workday**”. “Workdays” become an every weekend event as plans are made for the 1st Show. Dee Dee Saathoff and Doris Young visit Wilbur Bradford, President of Security Nat’l Bank located at the corner of St. Cloud and Bandera Road. They receive the 1st donation to the 1974 auction in the amount of \$100. Parents, students and teachers disassemble the donated chicken barns. The corrugated tin from the chicken barns is used to cover the arena and livestock barns. The Swine barns are still covered by the corrugated tin. Tesoro Oil Company (Mr. Bill Knaggs) donates drill stem pipe to the J.M. FFA show. The pipe was used and still exists as the main supports for the arena and livestock barns.

- **1974** The John Marshall Agriculture Department Teachers C.E. Vickery, Robert Keaton, John Vasbinder and Joey Tomlinson supervise student exhibits at the 1st JM FFA Livestock Show. There was less than \$400 in the Show's bank account. The water line was completed the night before the show opened. Grand Champion Steer is bought by an unauthorized buyer and later sold to the McDonough Brothers for \$2,000. This has been the only time that a Grand Champion was sold twice. Total Sale of Auctioned Animals - \$43,367.
- **1975** New Concession stand (aka: Gerlach Grill) and Restrooms are constructed. Total Sale of Auctioned Animals - \$71,293

- **1990** Total Sale of Auctioned Animals - \$164,512
- **1991** In an effort to allow more students to participate in the showing of Steers, the WGLS Board of Directors initiates a Commercial Steer Show. Total Sale of Auctioned Animals - \$169,304
- **1992** Total Sale of Auctioned Animals - \$176,891
- **1993** Sand is removed and arena is paved. Total Sale of Auctioned Animals - \$179,431
- **1994** The buyers reception/office building is completed. Total Sale of Auctioned Animals - \$206,831
- **1995** Total Sale of Auctioned Animals - \$221,546
- **1996** The main arena is extended. Total Sale of Auctioned Animals - \$269,412
- **1997** Total Sale of Auctioned Animals - \$293,200
- **1998** The NISD combines the John Marshall and O.W. Holmes Agriculture Departments into a single Ag. Program at the newest high school, Sandra Day O'Connor. The teachers Steve Chumbley, John Vasbinder, Mike Tondre and Joey Tomlinson supervise the 1st exhibits entered under S.D. O'Connor FFA. Total Sale of Auctioned Animals - \$341,800

- **2007** The Show Barn property is purchased by the Walter Gerlach Stock Show Association. Mr. Gerlach and children had let the show use the property for a total of 36 years. Total Sale of Auctioned Animals - \$565,000
- **2008** Extended paving and major drainage renovation. Total Sale of Auctioned Animals - \$614,212
- **2009** The Board of Directors established two divisions within the Market Lambs, Goats and Swine. The directors, being aware of the high price of show animals, feed and care, wanted to encourage exhibitors' participation. They made the decision that the show would purchase market animals in a group from well know breeders. Group purchases would allow the students to purchase, raise and exhibit a market animal at a more economical price. The directors also wanted to make sure that students and parents who desired to purchase their own show animals, from any breeder, would have the ability to exhibit at the WGLS. The rules were approved. There would be a Commercial Division (group purchase) and Open Division (individual purchase). The Champion from each division would show against each other with the Grand Champion determined by the Judge. Total Sale of Auctioned Animals - \$585,000
- **2010** The first year commercial animals are exhibited in the Lamb, Goat and Swine division. Outside Cattle Wash Rack is converted into a Directors Office. Total Sale of Auctioned Animals - \$558,000
- **2011** Total Sale of Auctioned Animals - \$551,000
- **2012** New Hog Wash Rack and Lighting are added. Sewer is connected to S.A.W.S. Total Sale of Auctioned Animals - \$580,000

Mr. Charles E. Vickery

1928 – 2012

Exhibitors, parents and buyers of the Show and Sale need to be aware that nearly \$12.0 million has been raised on the sale of projects since 1974, the year of the first Show and Sale. The Walter Gerlach Show and Sale would not have been possible without the dedication, leadership and hard work of Mr. Vickery. His vision of a show and sale started in 1972, when he was able to motivate students, parents, business leaders and NISD School Officials. In 1974, the show and sale became a reality. Following his retirement, the show directors created the C. E. Vickery Award in 1986. This award recognizes exhibitors who demonstrate the characteristics of leadership, integrity, work ethic and a commitment to the show and its exhibitors. From the

show's beginning, Mr. Vickery stated, "As long as the people (parents and students) want it, it will happen". Also, another quote from Mr. Vickery, "the best little show in Texas". There is another saying that applies to Mr. Vickery, "We Will Not Forget".

History of Last Chance Lots

From its start in 1974, the Show and Sale has continued to grow, with more Exhibitors, more Sale Lots and more Buyers, all which increased the operating expenses. The Board of Directors made the decision that, rather than raise additional funds from the exhibitors, they would add a Last Chance Lot. What a success. The first “Last Chance Lot” in 1980 was the sale of a “Cabrito”, a small Spanish Goat used for meat purposes. It set a World Champion Record price of \$4,000. The cabrito was purchased by McDonough Brothers Inc., Raba-Kistner Consultants, Health/Stitch and Alamo Cement. Throughout the years, the Last Chance Lot has included the sale of a donkey, pot bellied pigs, peacocks, trips, gift baskets, and model tractors. The total raised by the “Last Chance Lot” through 2012 is \$348,174. The Walter Gerlach Livestock Show & Sale thanks the buyers and individuals that continue to donate and have made the Last Chance Lot such a success.

New FFA Showbarn to Make Debut

BY: BILL CUNNINGHAM,
AGRICULTURE EDITOR

(as printed in San Antonio EXPRESS NEWS Sunday, January 20, 1974)

John Marshall High Future Farmers of America members will stage their first livestock show and sale Friday and Saturday. All the activities will be at the chapter's new show barn on Babcock Rd 3.2 miles north of Loop 1604.

The buildings in the complex have been built by student and volunteer labor. Many of the materials for the buildings have been donated.

Charles Vickery, vocational agriculture teacher at the school, said he believed this will be the first FFA auction since the opening of the Freeman Coliseum.

Judging will start Friday morning and continue Saturday morning. The auction sale will be at 3 p.m.

The entry list includes 51 steers, 80 hogs, 50 sheep, dairy entries, poultry and rabbits.

4-H Entries

The show also will have entries from 4-H Club members who attend school in the Northside Independent School District.

Members of the FFA Booster Club explained the auction was adopted because of the tremendous competition in the show and sale of the major shows of Texas.

They also pointed out that the energy crisis might keep many of the students from traveling with their entries.

Profits from the show will be used for student agriculture programs.

Gerlach Livestock Show Opens Today

25th annual event dedicated to longtime Marshall Ag teacher
(as printed in San Antonio EXPRESS-NEWS)

The silver anniversary edition of the Walter Gerlach Greater Northwest Livestock Show and Sale opens today with poultry judging and continues through Saturday when the Auction of Champions will be held.

More than 350 entries are expected to participate in the four-day event at Walter Gerlach Park, located on Babcock Rd., three miles north of Loop 1604.

This year's show is dedicated to C.E. Vickery, former John Marshall High School agriculture teacher who formed the FFA Booster Club and was instrumental in the development of the Gerlach Livestock Show.

Under Vickery, Marshall's agriculture department received state and national recognition for its programs.

Vickery, who earned bachelor and

San Antonio. At Burbank, Vickery taught agriculture and managed the student farm.

In 1960, Vickery joined the Marshall faculty and remained there until he retired.

Today's livestock show schedule begins early with poultry entries weighed in from 7:30 to 9 a.m., with judging of the turkey and broiler entries scheduled to start at 9:30 a.m. Sheers and lambs will be weighed in from 5 to 7 p.m.

Tomorrow - Thursday, Jan 29 - will be full of activities, starting at 7 a.m. when the weigh-in begins for swine entries.

Ag mechanics projects will be accepted from 11 a.m. to 1 p.m.; rabbits will be weighed in from 11 a.m. to 1 p.m.

Opening ceremonies are sched-

the ring Saturday, Jan 31, for the show's climax, the Auction of Champions beginning at 1 p.m. Last year, auction sales totaled more than \$220,000.

Special 25th anniversary belt buckles for 1998 winners are sponsored by Ace Spring Service, Inc., Apple Pest Control, Applewhite's Auto, Bendele Enterprises, CTX Mortgage Co., Gem Sign Service, H.E.B. at Guilbeau, Helotes 4-H Booster Club, ICM of San Antonio and Longhorn Pipe Supply. Other sponsors are Midas Auto Systems Experts, Newport Sales, Inc., Paragon, Profiters Feed, Inc., Propane Depot, Bathazaar and Lydia Reyes, Gary and Madelyn Schott, State Farm Insurance, The Echo and Hill Country Reporter and John and Tamara Vasbinder.

Gerlach Show officers are Johnny Mayfield, president; Les Schott, first vice-president; Darlene Margo, second vice-president; Loren

**Ella's wishes
good luck
to all Gerlach
exhibitors!!!!**

THE WALTER GERLACH LIVESTOCK SHOW Board of Directors would like to
THANK and give Recognition to the following volunteer Groups, both past and present who have
created, organized, and raised funds to support the Walter Gerlach Sale Exhibitors. Many of these are
former FFA and 4-H Members and their families who know the excitement of exhibiting and selling at the
WG Show. These Groups wanted past exhibitors and those that will sell at the 40th Show and beyond, to
have the same feeling of success while raising, exhibiting, and selling an animal project. This support
along with the many generous buyers over the past 40 years has made the WGLS Sale second to none.

Living a Texas Tradition

I want to say thanks to all of the directors, buyers, companies and people that come out to support my friends and I with 4H and FFA projects. We have a great sense of gratitude and appreciation for people that are willing to give back to the community. Thanks to you we all have memories that will remain with us the rest of our lives. This program teaches us the importance of working together and that if you work hard your efforts pay off and your results can be rewarded.

**Good Luck
To all FFA and 4-H
participants**

**Good Luck to all
Gerlach Exhibitors!**
